1 Case transformer

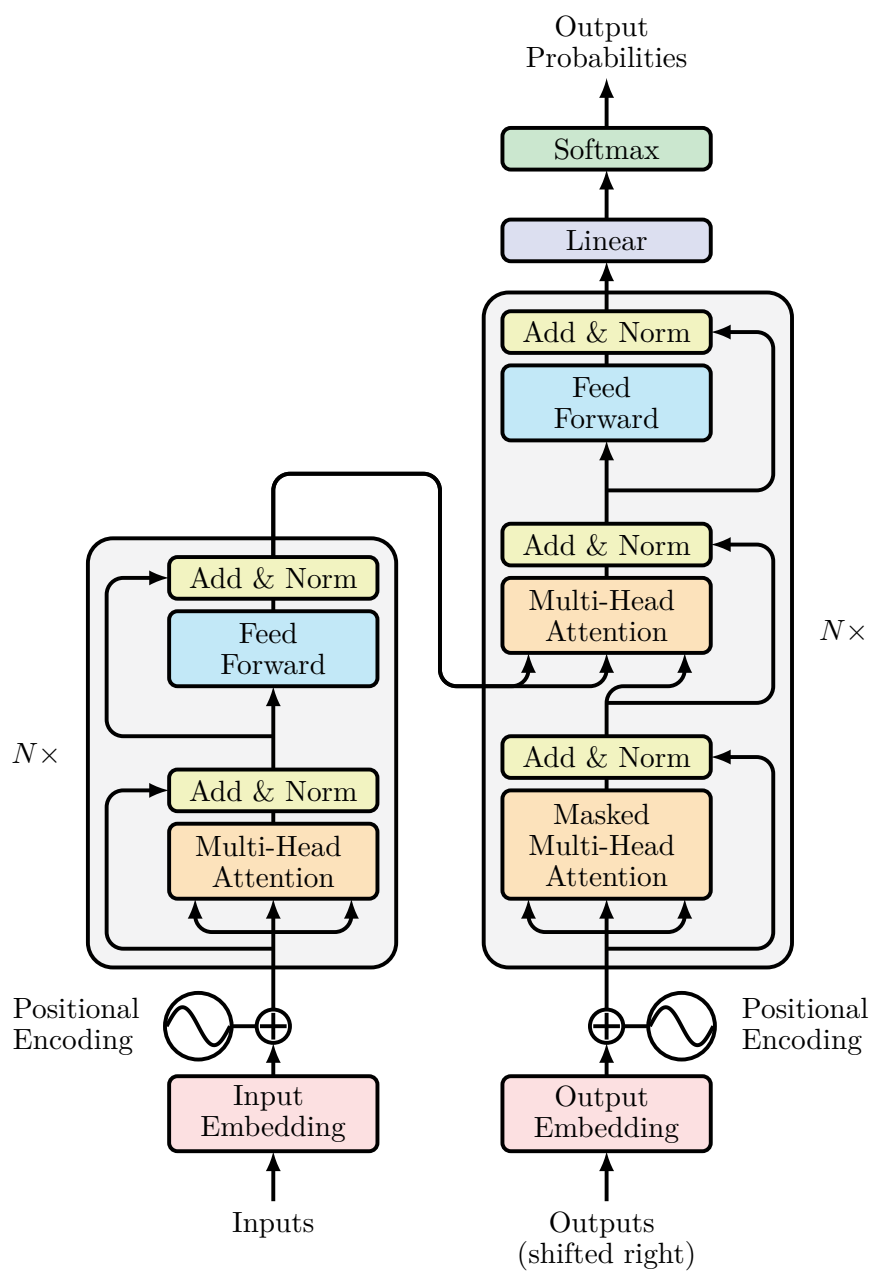

Figure 1: transformer code

2 Case hello world

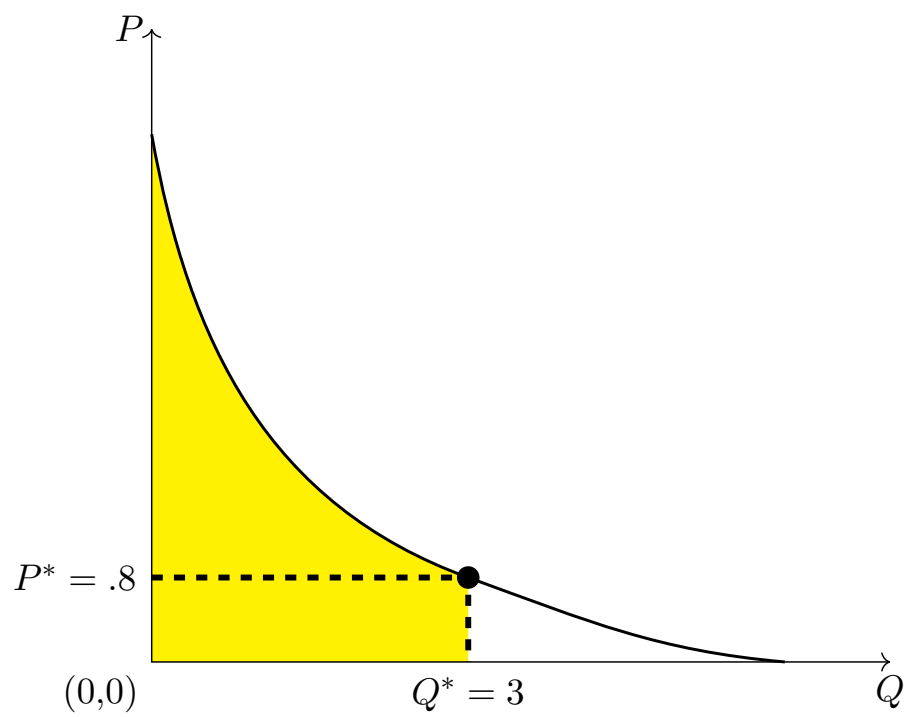

Figure 2: hello world `code`

3 Case example1

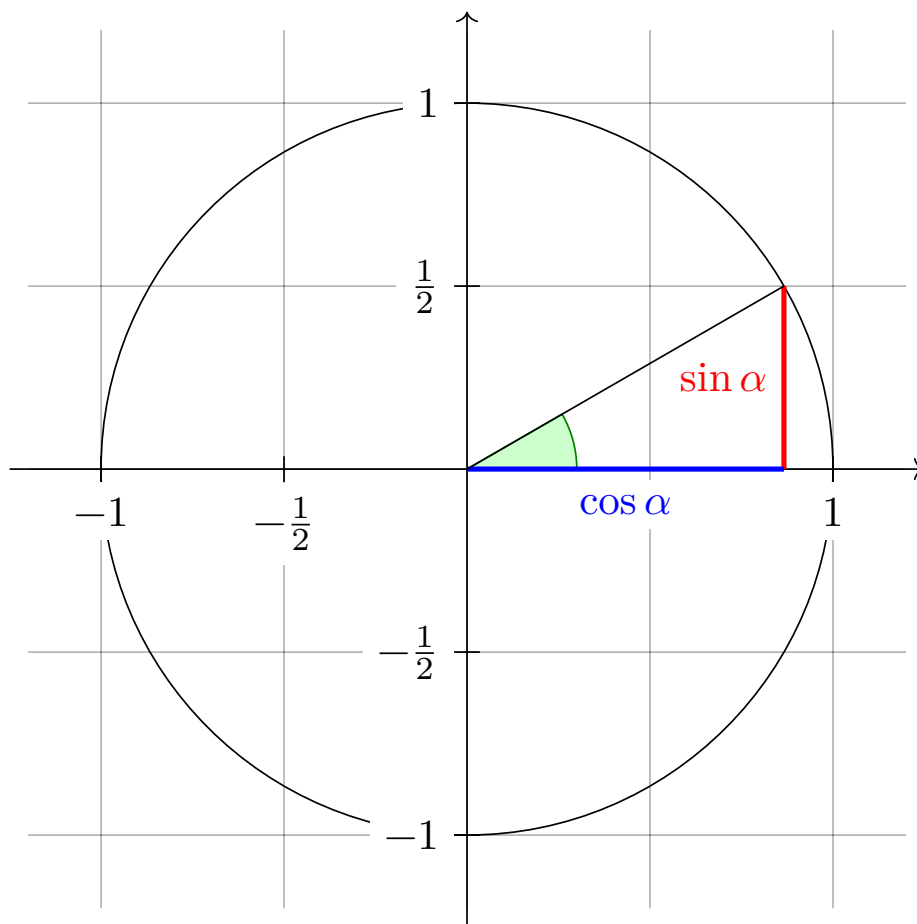

Figure 3: example1 code

4 Case image-overlay

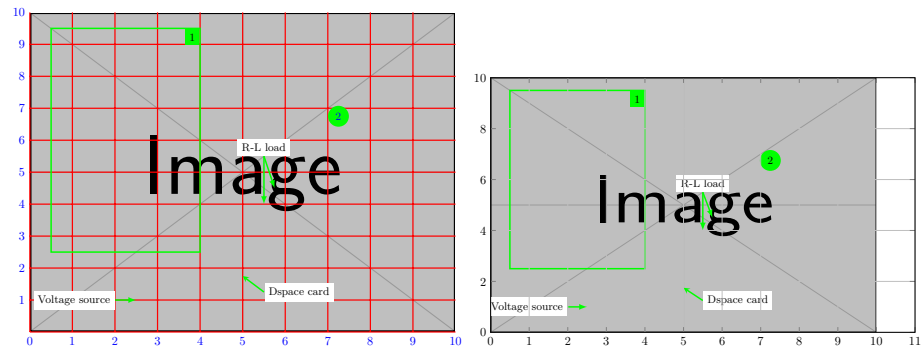

Figure 4: image-overlay code

5 Case shape

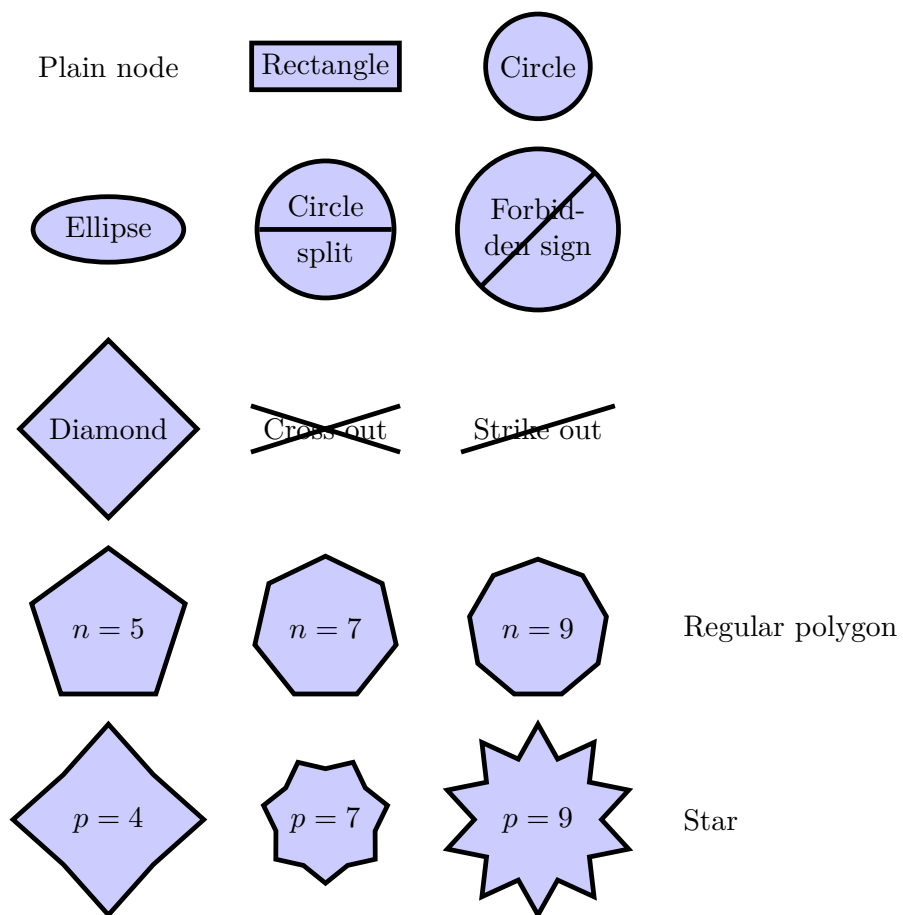

Figure 5: shape **code**

6 Case plot3d

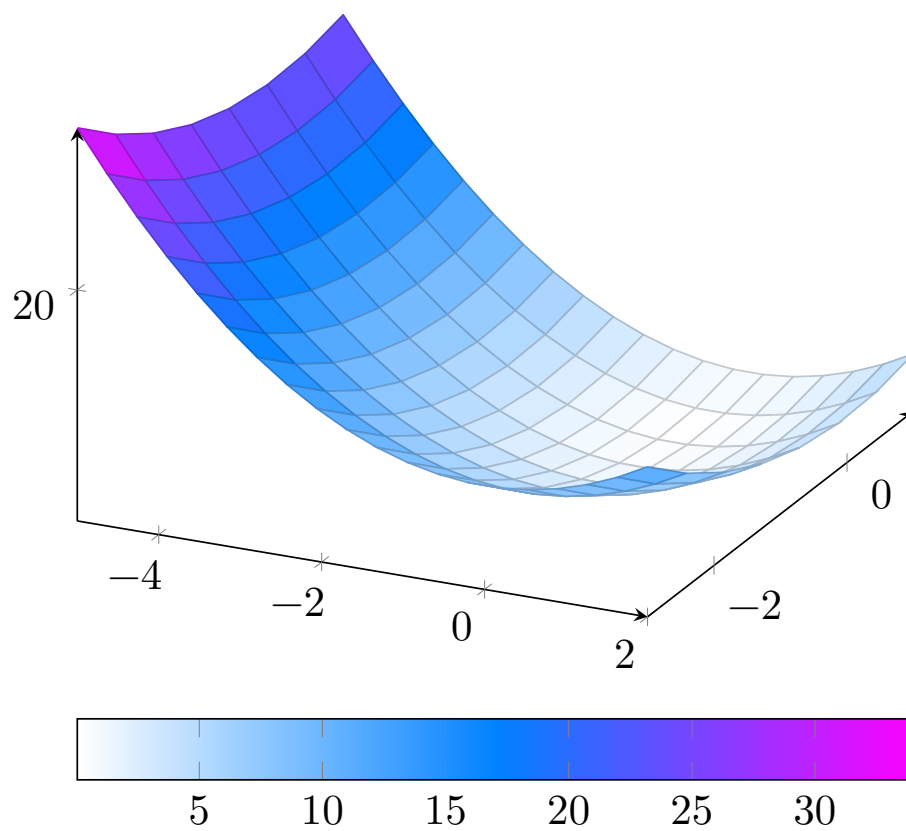

Figure 6: plot3d `code`

7 Case qual graph

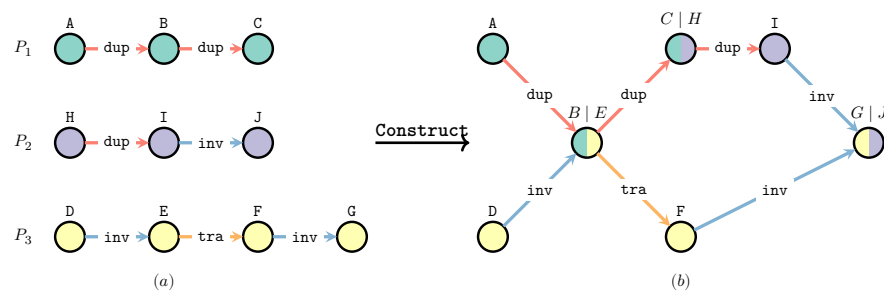

Figure 7: qual graph `code`

8 Case plot function

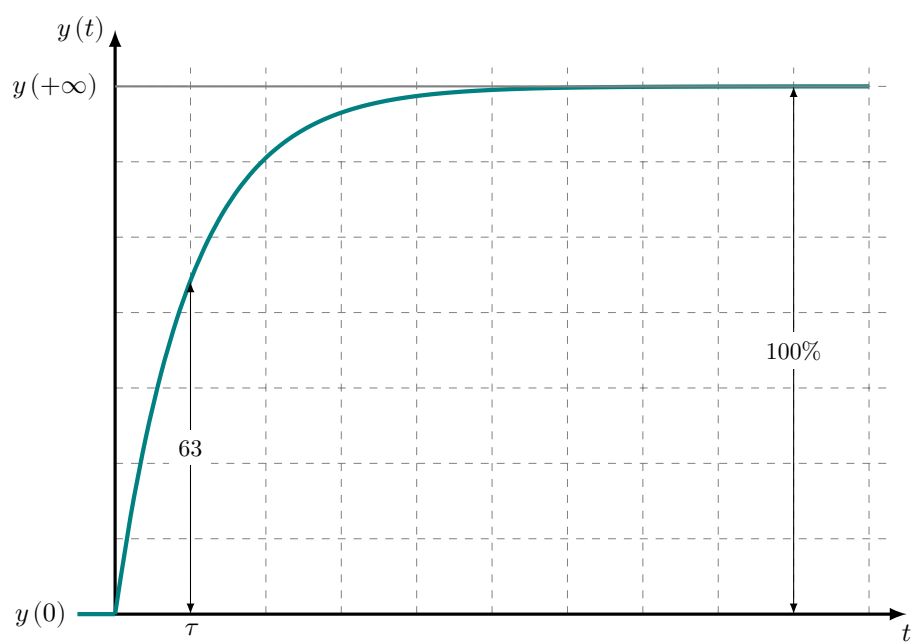

Figure 8: plot function `code`

9 Case tree2

Figure 9: tree2 code

10 Case curve

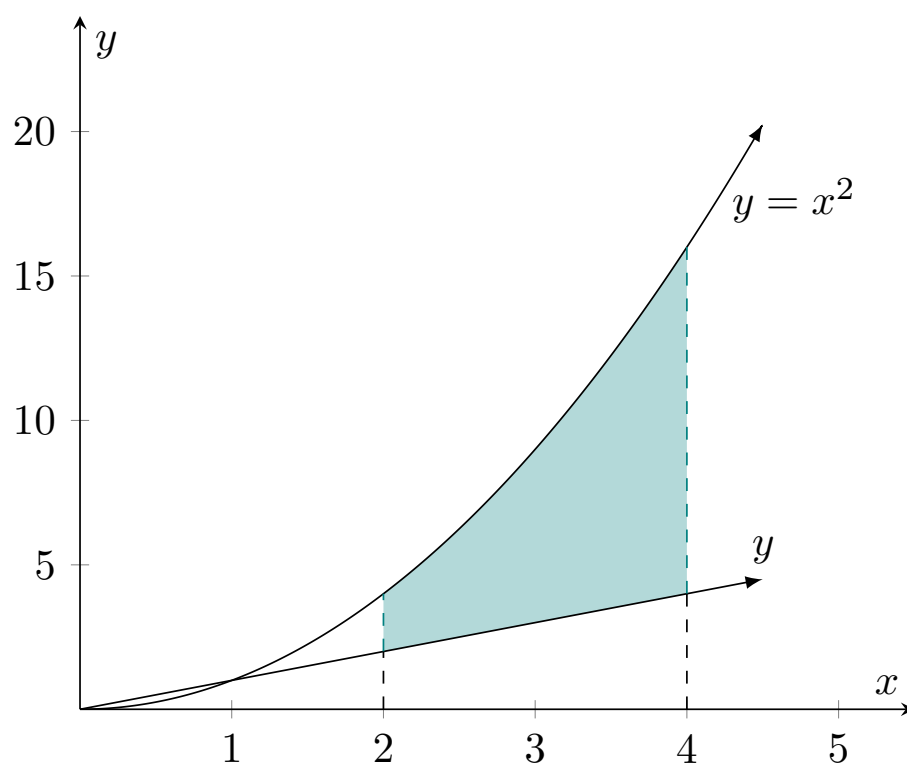

Figure 10: curve code

11 Case plot func

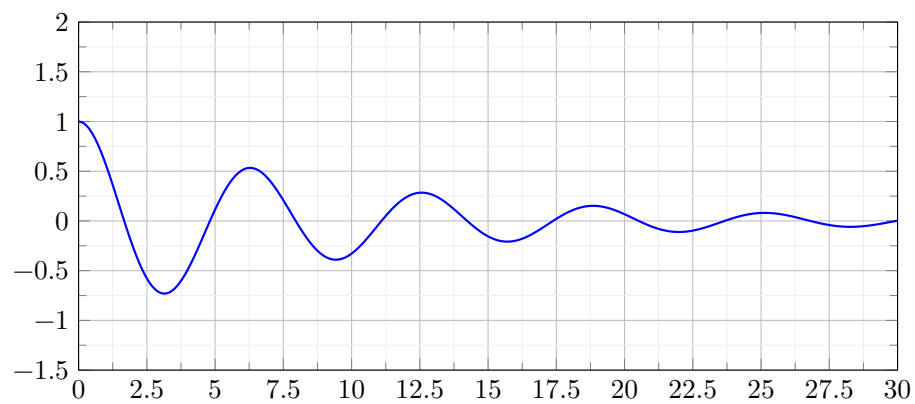

Figure 11: plot func `code`

12 Case tree1

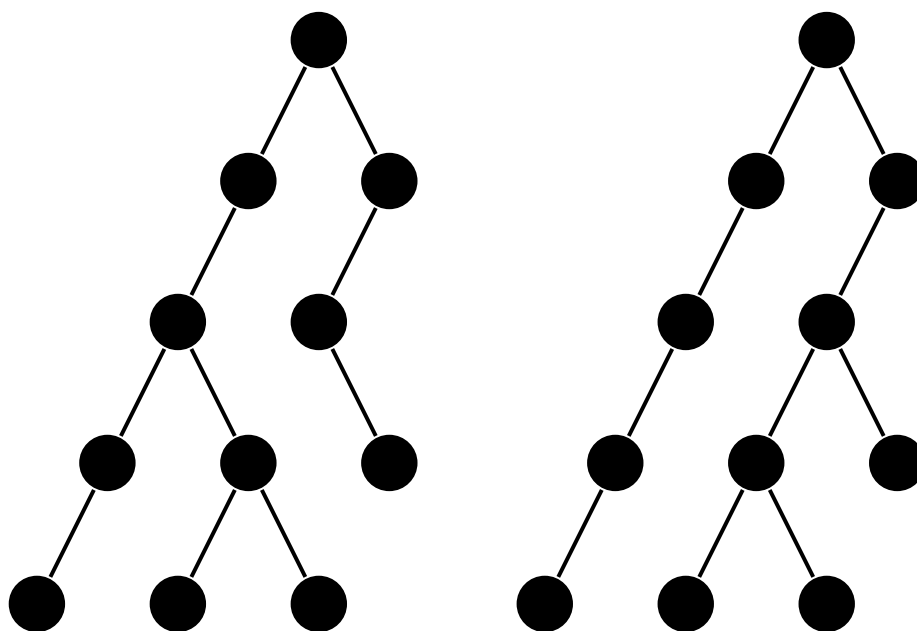

Figure 12: tree1 `code`

13 Case latex graphics tikz book5

Figure 13: latex graphics tikz book5 [code](#)

14 Case latex graphics tikz book4

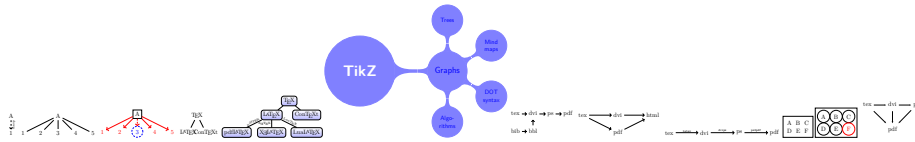

Figure 14: latex graphics tikz book4 [code](#)

15 Case latex graphics tikz book1

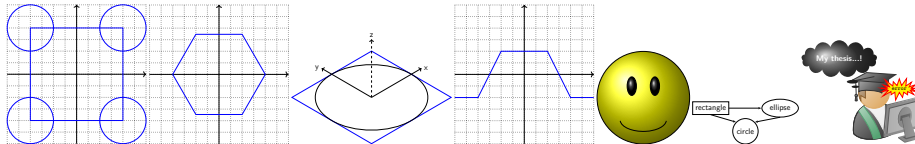

Figure 15: latex graphics tikz book1 [code](#)

16 Case colored diagram

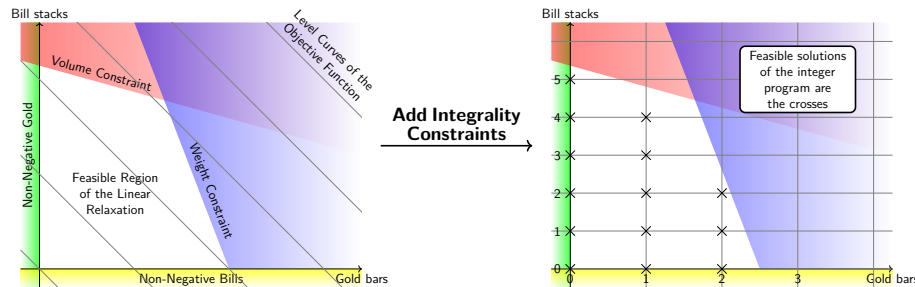

Figure 16: colored diagram [code](#)

17 Case neuron

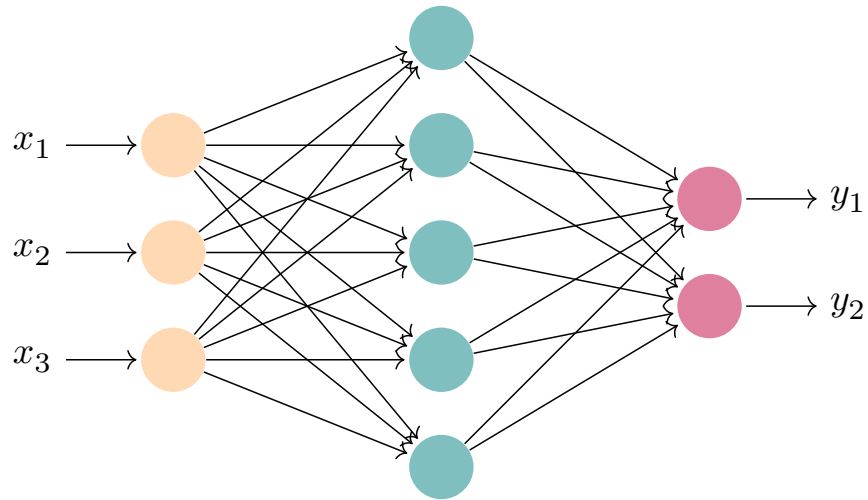

Figure 17: neuron `code`

18 Case latex graphics tikz book3

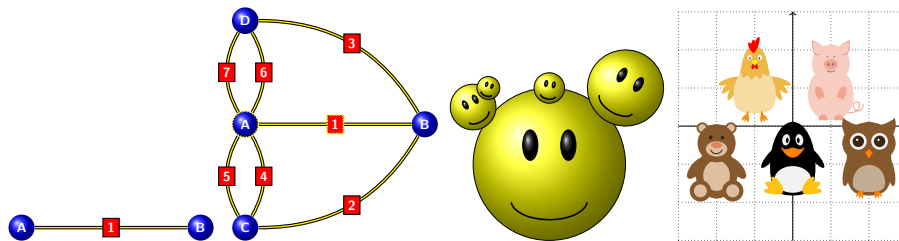

Figure 18: latex graphics tikz book3 `code`

19 Case latex graphics tikz book2

Figure 19: latex graphics tikz book2 `code`

20 Case diamond

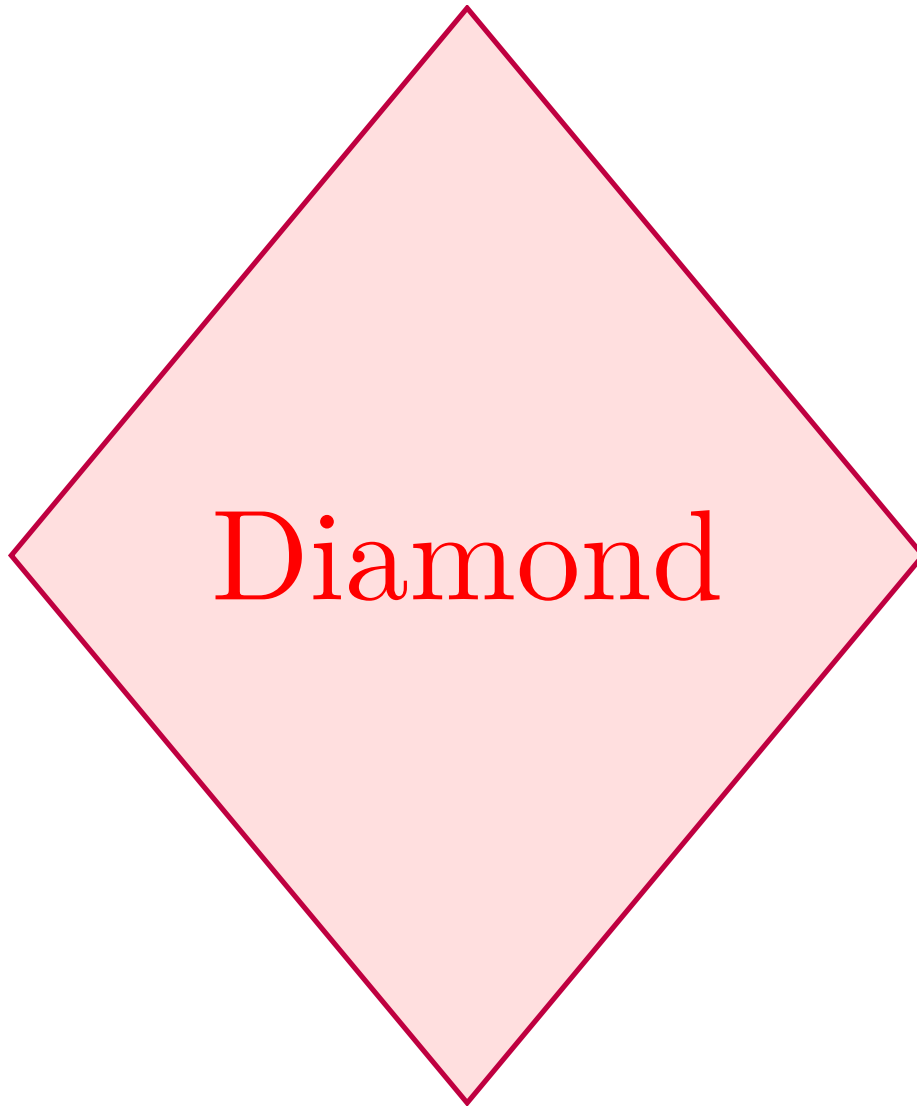

Figure 20: diamond `code`
